- Clean air filters
- Change fuel filter and pre-filter
- Change transmission filter element
- Change cab air filter
- Change hydraulic system return filter
- Change oil in rear final drive units
- Change SCR filters
- Lubricate suspended front-axle
- Change oil in front axle and outboard planetary hubs
- Calibrate transmission
- Detail Machine
- Check machine repair history

Every Certified Pre-Owned AGCO tractor is backed by a comprehensive 1-year protection plan. A deductible of \$250 will be applied per incident.

AGCO Protection is for a minimum of 12 months or 500 hours from (i) the date of purchase (if out of base warranty on date of purchase) or (ii) the date the base warranty ends (if under base warranty on date of purchase), whichever occurs first. Deductible of \$250 will be applied per incident. Coverage is limited to hydraulic, mechanical, electrical, structural and powertrain components. Restrictions apply. Please see a participating dealer for restriction and a full listing of the components covered by AGCO Protection.
